"Wings Over Lee 1917 -2022"

Royal Naval Air Station Lee-on-Solent (HMS Daedalus)

by Bob Wealthy

Friday 8th July 2022

The sea front at Lee-on- the-Solent was chosen as the place for a Seaplane Training School, due to the intensity of RNAS pilot training and other activities at Calshot during WW1. It later became the main training establishment and administrative centre of the Fleet Air Arm

HMS Daedalus was closed in 1996 when the Royal Navy moved out. The units were moved to nearby HMS Sultan. Daedalus has since become Solent Airport and a centre for business innovation and residential development.
