'Test Pilot' by Chris Taylor Friday 9th September 2022

Chris Taylor gained his private pilot's licence at 17 and joined the Royal Navy. After serving as a Navigation Officer on numerous ships, he went on to operate Wasp and Lynx helicopters worldwide. Five years instructing led to becoming a Test Pilot and later he returned to the ETPS as a Tutor for 10 years. The UK CAA was next as an aeroplane and rotorcraft test pilot followed by creating his own company Dovetail Aviation Ltd with continued test flying and he has now flown four hundred or more different kinds of aircraft. The picture is from his book 'Test Pilot' which will be on sale at a discount from the usual cover price.
